

INDIAN HEAD CASINO/PLATEAU TRAVEL PLAZA Content Creator / Influencer Recording Policy

1. Scope

This policy applies to guests who wish to record long-form video of their own gameplay for publication on social media, streaming, or video platforms (e.g., YouTube, Twitch, Kick). It is primarily intended for slot machine play. Recording of table games is strictly prohibited unless approved in advance by TGRA (Tribal Gaming Regulatory Authority), on a case-by-case basis.

2. Short-Form Exception

Video clips under one (1) minute in length, intended for short-form platforms or formats (e.g., TikTok, Reels, Shorts), are not required to follow this policy.

3. Check-In & Registration

- Guests must check in with Security prior to recording and pick up an influencer badge, which must be worn visibly at all times while recording.
- Guests must disclose the platform(s) they create content for and their handle/username on each.
- The recording authorization covers the guest's full visit on the day it is issued. A new check-in is required for each separate visit.

4. Recording Guidelines

- Guests must avoid capturing identifiable faces of other patrons or employees without their consent, and must angle equipment to minimize incidental capture of others or their gameplay.
- No recording of table games without TGRA approval, or of surveillance cameras, security equipment, or the cage.
- Handheld phones or small, approved camera rigs only. Tripods, drones, external lighting, or other equipment must be pre-approved by Security.
- Recording must not obstruct walkways, gaming areas, or staff operations.

5. Acknowledgment & Release

By registering to record, the guest acknowledges that they are solely responsible for their own content and its publication; agrees not to disparage Indian Head Casino/Plateau Travel Plaza, its staff, or its operations in connection with the footage; and agrees to indemnify and hold harmless Indian Head Casino/Plateau Travel Plaza from any claims, damages, or liability arising from the recording or publication of their content.

6. Revocation

Indian Head Casino/Plateau Travel Plaza reserves the right to revoke recording privileges and the influencer badge at any time, for any reason, including disruptive setup, guest complaints, or security concerns.
